Cruising sailors have many aspirations from around the World extended voyages to day cruising local estuaries. At Dimension-Polyant we understand these different requirements and always aim to use our knowledge and state of the art production facilities to offer sailors the very best options so they can maximise their enjoyment on the water.

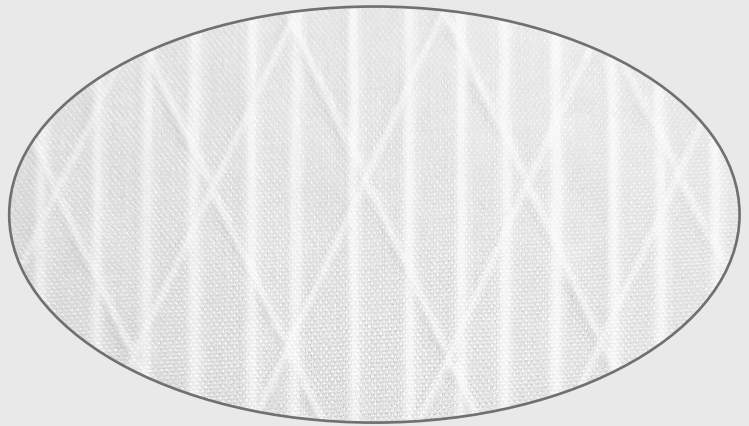

Coastal Laminate-Line is aimed at those with an eye for good sail shape, an appreciation of a technical construction, and plan predominantly shorter cruises closer to home. With a simplified range made of our universal 100% polyester XI internal yarn layout with varying film and taffeta weights, boats up to 35ft can benefit. Our proprietary UVM<sup>®</sup> coating completes the package helping prevent UV damage and mildew.

#### GENERAL NOTE

All suggestions are based on our worldwide experience with sailcloth applications. Please note that the recommendations are meant as guidelines. You should consider, when making your choice, if the sail will be used in a particular heavy or light wind area.

Neither Dimension-Polyant nor any of its affiliates assume any liability for special, incidental or consequential damages due to the recommendation given.

#### HIGHEST QUALITY FROM THE START

Dimension-Polyant uses only performance high tenacity fibers, customdeveloped chemicals as well as premium films from qualified suppliers.

#### IN-HOUSE MANUFACTURING

Dimension-Polyant is worldwide the sole producer of high quality sailcloth with its own in-house manufacturing. As sailcloth is our only product we have invested in customized equipment for weaving, finishing and laminating.

#### CONTINUOUS INNOVATION

Dimension-Polyant has the most dedicated R&D team, the state-of-the-art facilities and preferred access to the newest fibers, chemicals and components. Together with German and American engineering this provides the base for trend setting developments.

#### GLOBAL REACH

Our worldwide distribution and technical support network makes Dimension-Polyant the perfect partner for your sail-maker.
